

CURRICULUM VITAE

LINDA O'NEAL ECKERT, MD

PERSONAL DATA

Place of Birth
Calgary, Alberta, Canada

Citizenship
United States of America

EDUCATION

Undergraduate Education 1979 – 1983
Carleton College, Northfield, MN
BS

Medical Education 1983 – 1987
University of California, San Diego
College of Medicine
MD

POSTGRADUATE TRAINING

Residency Education 1987 – 1991
University of Texas Medical School
Houston, Texas
Department of Obstetrics & Gynecology & Reproductive Sciences

Additional Course Work 1992 – 1995
University of Washington
School of Public Health
Core Courses in Epidemiology and Statistics

Advanced Laparoscopic Course Work 1992 – 1998
Operative Laparoscopy for Today's GYN, 1992
Advanced Laparoscopic Course featuring LAVH Workshop, 1993
Laparoscopic Bladder Suspension Course, 1998

Fellowship Education 1994 – 1996
University of Washington
Seattle, Washington
Department of Internal Medicine
Division of Infectious Diseases
Senior Fellow

NIH and CIH Summer Institute in Maternal Fetal Pharmacology 2005

Advanced Vaccinology Course (ADVAC) 2018
Fondation Merieux
Annecy, France

LINDA O'NEAL ECKERT, MD**FACULTY POSITIONS**

Acting Assistant Professor University of Washington Harborview Medical Center Department of Obstetrics & Gynecology	1992 – 1994
Assistant Professor University of Washington Harborview Medical Center Department of Obstetrics & Gynecology	1996 – 2004
Associate Professor University of Washington Harborview Medical Center Department of Obstetrics & Gynecology	2004 – 2013
Visiting Scientist World Health Organization Human Papillomavirus Vaccine Focal Point Initiative for Vaccine Research (IVR) Geneva, Switzerland	2009
Consulting Scientist World Health Organization Human Papillomavirus Vaccine Initiative for Vaccine Research (IVR), Reproductive Health Research (RHR) Geneva, Switzerland	2009 – present
Adjunct Associate Professor University of Washington Department of Global Health	2010 – 2013
Professor University of Washington Harborview Medical Center Department of Obstetrics & Gynecology	2013 – present
Adjunct Professor University of Washington Department of Global Health	2013 – present

HONORSCarleton College

Dean's List, 4 years	1979 – 1983
Academic Distinction in Chemistry	1983
Mortar Board, Vice-President	1983
NCAA Scholar	1983
Phi Beta Kappa	1983
Sigma Xi	1983

LINDA O'NEAL ECKERT, MD

HONORS (continued)

USCD Medical School

Honors in Internal Medicine	1986
Honors in Pediatrics	1986
Honors in Independent Study Project The Effect of Weight Loss on Self-Image in Adolescent Girls”	1987

Residency

Outstanding Chief Resident	1991
Outstanding Resident Educator	1991

Faculty

“Number 1 Poster in Domestic Violence” for “Correlates of Physical Injury in Sexual Assault Patients” American College of Obstetrics & Gynecology Annual Meeting, Chicago, IL.	2001
Intern Teaching Accommodation Unsolicited letter written by interns to chairman for “outstanding teaching and mentoring” in Continuity Clinic.	2003
American Journal of Obstetrics & Gynecology Editor’s accommodation for quality, quantity, and timeliness of reviews.	2004
APGO-Solvay Teaching Award National teaching award presented to one faculty member in each Obstetrics & Gynecology Department in recognition of outstanding medical student education.	2004
Best Doctors in America – elected by physicians in this region.	2005
Journal of Obstetrics & Gynecology Editor’s accommodation for quality, quantity, and timeliness of reviews.	2005
Visiting Professor, Department of Obstetrics & Gynecology, University of Massachusetts Medical School, Worcester, MA.	2006
Elected Scientific Editor for Pacific Coast Obstetrical & Gynecological Society.	2007 – 2013
Elected to Council for Infectious Diseases Society of Obstetrics and Gynecology.	2007 – 2010
Invited Professor; International Forensics Medicine Conference I gave lectures and led workshops on establishing a Sexual Assault Program, Istanbul Turkey.	2008
CREOG National Teaching Award National teaching award presented to one faculty member in each department in recognition of outstanding resident education.	2008

LINDA O'NEAL ECKERT, MD**HONORS** (continued)

Resident Teaching Award Department of Obstetrics & Gynecology, University of Washington, Awarded by Residents in Obstetrics & Gynecology.	2008
Invited Plenary Speaker "Role of Immunizations in Women's Reproductive Health" Interscience Conference on Antimicrobial agents and chemotherapy (ICAAC),	2009
Front Page of Ob-Gyn News, "Molecular Diagnostics in Vaginitis" in www.obgynnews.com, October 2010.	2010
Best Research Poster: "Molecular Diagnostics in Women Without Genital Symptoms Presenting for Pap Smear. How Common? How costly?" Infectious Disease Society of Obstetrics and Gynecology Annual Meeting, Chicago, Illinois.	2011
Invited Plenary Speaker "Pertussis Update" Infectious Disease Society of Obstetrics and Gynecology Annual Meeting, Chicago, Illinois.	2011
Invited Plenary Speaker "Global Impact of Immunizations in Women's Reproductive Health." Interscience Conference on Antimicrobial agents and chemotherapy (ICAAC).	2011
Invited Plenary Speaker "Influenza Immunization in Pregnant Women" National Influenza Summit.	2011
Elected to Council for Infectious Diseases Society of Obstetrics and Gynecology.	2013 – 2018
Harborview Cares Award: Awarded for "patient care and service that exemplifies the values of Harborview and UW Medicine".	2015
National Immunization Champion Award. American College of Obstetrics and Gynecology .	2018
Infectious Disease Society of Obstetrics and Gynecology - President.	2019 – 2020
American College of Obstetricians and Gynecologists - Accommodation for COVID-19 Vaccine in Pregnancy Writing Group.	2020 - present
White House Covid-19 Town Hall for Primary Care Providers, Health Systems and the Next Phase of the Vaccination Rollout. Invited Participant.	2021

BOARD CERTIFICATION

American College of Obstetrics and Gynecology Board Certified (certification renewed annually)	1993 – present
---	----------------

LICENSURE

Washington	Physician and Surgeon MD00029335	1992 – present
------------	-------------------------------------	----------------

LINDA O'NEAL ECKERT, MD**PROFESSIONAL ORGANIZATIONS**

Association of Professors of Obstetrics & Gynecology	1992 – present
Fellow, American College of Obstetrics & Gynecology	1993 – present
Seattle Gynecologic Society	1994 – present
American Sexually Transmitted Disease Association	1995 – present
Infectious Diseases Society of Obstetrics & Gynecology	1999 – present
Elected to Council, 2007–2011 and 2013–present	
Program Chair, 2016– 2018	
Vice President 2018–2019	
President 2019-2020	
 Pacific Coast Obstetrical & Gynecological Society	 2001 – 2013
Elected Scientific Editor, 2007–2013	

TEACHING RESPONSIBILITIES

Human Biology 565-Reproduction University of Washington One lecture on contraception to second year medical students	1993
University of Washington Ob/Gyn Grand Rounds Coordinator	1993 – 1994 and 1996 – 1997
Harborview Gynecology Third Year Medical Student Clinical Rotation Precepting 3 rd year medical student: 90% of MS 3 student rotations 12/11-6/12; 20% of MS 3 student rotations otherwise.	1996 – present
UCONJ 503/ISLN#7403: International Health Class University of Washington One lecture on death and dying issues in developing countries	1999
ACOG: Infectious Diseases Update American College of Obstetrics and Gynecology Annual Clinical Meeting. Re-invited to be one of 3 faculty teaching the course. Presented 3 lectures: Vaginitis, Herpes Simplex Virus, and Cervicitis/Pelvic Inflammatory Disease.	1999 – 2002
Harborview Gynecology Resident Teaching Series Two or three lectures each 8 week rotation on various infectious disease topics. Sexual assault examination teaching for all resident rotations	1999 – present
Role of Infection in In Vitro Fertilization Fifteenth International Conference for Personnel in Reproductive Medicine.	2002
ACOG: Recurrent Vaginitis American College of Obstetrics & Gynecology Annual Clinical Meeting. Faculty for luncheon course.	2002
ACOG: STD Update and Recurrent Vaginitis American College of Obstetrics and Gynecology Annual Clinical Meeting. Invited faculty for two luncheon courses.	2003

LINDA O'NEAL ECKERT, MD**TEACHING RESPONSIBILITIES** (continued)

ACOG: Infectious Diseases Update Louisiana Chapter of American College of Obstetrics and Gynecology, Inc. 3 lectures: Vaginitis, Cervicitis/Pelvic Inflammatory Disease, Herpes Simplex Virus.	2003
ACOG: Infectious Diseases: What's New? American College of Obstetrics & Gynecology Annual Clinical Meeting. One of 3 faculty teaching course. Three lectures: Herpes Simplex Virus, Vaginitis, Human papilloma virus.	2003 – 2005
Center for STD Prevention & Education Faculty for numerous STD update courses across Pacific Northwest, California, Arizona; two to four lectures each course	2006 – present
Family Medicine Annual Update, University of Washington, Seattle, Washington "Recurrent Vaginitis"	2008
Grand Rounds, Department of Obstetrics and Gynecology, University of Washington "HPV Vaccine: The Long and Winding Road to the Women Who Need It Most"	2010
Seattle Gynecologic Society Annual Meeting "Pap Smear Guidelines and Use of HPV Testing"	2010
Washington State Obstetrics and Gynecologic Society "Ob-Gyns as Vaccinators"	2010
Women's Health Annual Update, University of Washington, Seattle, Washington "HPV Vaccine and HPV testing"	2010
Yakima Grand Rounds "Pap Smear Guidelines: Clear as Mud" "Ob-Gyns as Vaccinators"	2010
Global Health Policy Development and Advocacy GH590A HPV Vaccine: Case study in Policy Development Departments of Epidemiology and Global Health 2 lectures and curriculum development	2010 – 2018
ACOG: Update on 2010 CDC STD Treatment Guidelines American College of Obstetrics and Gynecology Annual Clinical Meeting	2011
Obstetrics and Gynecology MS1 Course #505 Precept MS1 in my HMC Provider clinic: 6-8 times/year	2011 – present
Grand Rounds, Department of Obstetrics and Gynecology, University of Washington "Maternal Immunization: Riding the Wave toward Millennium Development Goals 3, 4 and 5"	2013
Grand Rounds, Department of Obstetrics and Gynecology, University of Washington "The Symbiosis between Maternal Immunization and Speaking a Common Language"	2017

LINDA O'NEAL ECKERT, MD**RESEARCH MENTORING**

<p>Sue Lee, MD Resident, Obstetrics & Gynecology Is Time Interval between Colposcopically Directed Biopsy and LEEP a Factor in LEEP Pathology? Presented at Pacific Coast Obstetrics & Gynecology Annual Meeting, 2008, manuscript published 2010.</p>	2007 – 2009
<p>Maria MacKroth, MD WHO Department of Immunizations Immunizing school-age children and adolescents: experience from low- and middle-income countries Published in 2010</p>	2009
<p>Charlene Wong, MD Centers for Disease Control Scholar Programs Approaches to monitoring biological outcomes for HPV vaccination: challenges of early adopter countries Published in 2011</p>	2009 – 2010
<p>Kara Hoppe, MD Resident, Obstetrics & Gynecology Achieving High Coverage of H1N1 Influenza Vaccine in an Ethnically Diverse Obstetric Population: Success of a Multifaceted Approach Presented at Infectious Disease Society of Obstetrics & Gynecology 2010, manuscript published 2011</p>	2010 – 2012
<p>Ludmilla Mosina WHO EURO Office, Department of Immunizations HPV vaccination in Europe: experience from National Immunization Programmes Presented in 2011</p>	2010 – 2012
<p>Kate McLean, MD Fellow, Gynecologic Oncology Projects involving cervical cancer screening using a SEER database Abstracts “Cervical cancer screening in elderly patients” and “Cervical Cancer Incidence and Screening Patterns in Elderly Women” accepted for presentation at the 2012 Western Association of Gynecologic Oncologists Annual Meeting, June 2012</p>	2011 – 2013
<p>Marissa D’Angeli, MD MPH Washington State Department of Health Barriers to vaccination of pregnant women in Washington: An email survey of obstetric and prenatal care providers Presented to the Infectious Disease Society of Obstetrics and Gynecology, August 9-11, 2012, Whistler, British Columbia, Canada, manuscript published in 2014</p>	2011 – 2013
<p>Meagan Kay, MPH Public Health Seattle King County Increasing vaccination rates in pregnant women Ongoing project at multiple Public Health clinics in King County</p>	2011 – 2013

LINDA O'NEAL ECKERT, MD**RESEARCH MENTORING** (continued)

Malavika Prabhu, MD Resident, Obstetrics & Gynecology Projects in Global Health Travelled with me to the World Health Organization headquarters in Geneva, Switzerland in March and November, 2013 Assisted in work on funded policy development projects - updating the WHO policy on Appropriate Clinical Endpoints for HPV Vaccine Trials Abstract presented at International Papillomavirus Meeting, 2014, manuscript submitted.	2012 –2015
Diya Surie, MD, MPH Resident, Internal Medicine, Global Health Pathway HPV Vaccine Trial in Kenya and HIV Status Disclosure	2013 – 2014
Kara Hoppe, MD Fellow, Maternal and Fetal Medicine Ongoing research in maternal immunization and knowledge practice	2013 – 2015
Emily Fay, MD Resident, Obstetrics & Gynecology Projects in Immunizations for Pregnant Women Abstract presented at Infectious disease Society of Obstetrics and Gynecology Meeting, 2014, manuscript published	2013 – 2016
Elyse Kadokura, BS MPH Candidate Systematic Review of Factors Influence Compliance with Multi-Dose Vaccine Series, Manuscript published	2014 – 2015
Nithya Nagella, MD Resident, Obstetrics & Gynecology Sexual Assault Characteristics: Trends over 15 years Accepted for presentation: American College of Obstetrics & Gynecology Annual Clinical Meeting, May 2015	2014 – 2016
Alisa Kachikis, MD MFM Faculty, Obstetrics & Gynecology Projects in Maternal Immunization Research group/Brighton Collaboration Research: WRHR Scholar and Grant Submissions Research: K23 Mentor	2015 – present
Kathryn Kemper, BS Mph global Health Student Project in Namibia developing a pap smear registry Manuscript published	2018 – 2020
Gui Liu PhD candidate, Epidemiology and Global Health Committee member. Cervical Cancer Prevention among Kenyan Women living with HIV or at Risk for HIV	2019 – 2021

LINDA O'NEAL ECKERT, MD**RESEARCH MENTORING** (continued)

Sara Pauk, MD Faculty, Harborview Medical Center Content and Design of Vaginitis Teaching Tools Web Site: Ed Prince Grant Recipient	2019 – 2021
Candace Bahareh Haghighi, MPH MD Candidate at Wake Health Medical School Research Projects: Longitudinal study of Covid Vaccine in Pregnancy for Individuals with Gastrointestinal Autoimmune Disease	2021 - present
Anisha Loeb, BS MPH Candidate at University of Washington UW School of Public Health MPH Epidemiology - Global Health (completed June, 2023) Implementation of HPV Screening in WHO Regions	2021- 2023
Grace Utumesi, MPH present PhD Candidate School of Global Health Committee Member HPV vaccine cost effectiveness and provider perceptions in Kenya	2023-

DIVERSITY, EQUITY AND INCLUSION ACTIVITIES

University of Washington Department of Obstetrics and Gynecology Anti-Racism Training	
Participant Advancing equity and justice in reproductive healthcare (1hr)	2020
Participant Anti-racism workshop: white supremacy culture (2hrs)	2020
Participant Anti-racism and health equity learning/discussion session (1hr)	2020
Participant Racism in our department, institution, and our community (1hr)	2020
Participant Interrupting microaggressions, racism and bias (2hrs)	2021
Participant History of racism in gynecology (1hr)	2021
Participant Intersectionality, race and bias for L&D/Postpartum (3hrs)	2022
Participant MicroAggression Awareness (2 hr)	2023

Inaugurated Infectious Disease Society of Obstetrics & Gynecology annual book club on racism in medicine during my Presidential year 2020-present
 "Medical Apartheid" by Harriet Washington was initial title

Authored book: "Enough: Because we can stop cervical cancer" 2020-present
 Interviewed women from 6 continents with cervical cancer and interrogate impact of racism and other components of bias on health equity in cervical cancer prevention and treatment
 Book is under contract with Cambridge University Press and will be published January 2024.

Personal Reading and Education 2020-present
 Part of book club in Seattle that is reading about unconscious and conscious bias and systemic racism. Have read or listened to then participated in facilitated discussion:
 "Waking Up White" by Debbie Irving
 "I'm Still Here" by Austin Channing Brown
 "So you want to talk about Race" by Ijeoma Oluo
 "White Fragility" by Robin DiAngelo
 "Jesus and John Wayne" by Kristin Kobes Du Mez

LINDA O'NEAL ECKERT, MD

"Seeing White" Pod Cast Series: Scene on Radio

EDITORIAL RESPONSIBILITIES

Special Reviewer for <i>Obstetrics & Gynecology</i>	1992 – present
Special Reviewer for <i>Journal of Infectious Diseases</i>	1996 – present
Special Reviewer for <i>Sexually Transmitted Diseases</i>	1999 – present
Special Reviewer for <i>American Journal of Obstetrics & Gynecology</i>	2002 – present

EDITORIAL RESPONSIBILITIES (continued)

Pacific Coast Obstetrics & Gynecology Society Scientific Editor	2007 – 2013
Special Reviewer for <i>Vaccine</i>	2009 – present
Special Reviewer for <i>British Medical Journal</i>	2010 – present
Special Reviewer for <i>JAMA</i>	2016 – present
Special Review of <i>New England Journal of Medicine</i>	2019 - present

SPECIAL INTERNATIONAL RESPONSIBILITIES**World Health Organization**

<u>Consultant to the World Health Organization</u>	2009 – 2023
• Global Cervical Cancer Call to Elimination	Jan 2019 - 2023
– Consultant to lead and Coordinate Cervical Screening Guideline Update	
1. WHO lead: Coordinate Workgroups, Guideline Development Group meetings, and Cervical Screening Guidelines process	
2. Co-Author Screening and Treatment recommendations for cervical cancer screening for WHO approval (see publications)	
• Reproductive Health Research and Chronic Disease	
– Comprehensive Cervical Cancer Control: Guide to Essential Practice (C4-GEP): one of the most widely distributed WHO publications, with 400 downloads/month. Broad international use as policy document and teaching tool.	2012 – 2014
1. WHO Coordinating Team lead for 3-year ongoing effort to update the original 2006 publication. This was a multinational team involving practitioners, epidemiologists, and WHO secretariat members	
2. Authored Chapters on Anatomy, Epidemiology, Screening, and Treatment for Preinvasive Disease of Cervical Cancer	
3. Final WHO editor to work with professional writer: assured accuracy and integration of all aspects of this comprehensive document	
– C4-GEP Published in 2014: SEE PUBLICATIONS	
• Initiative for Vaccine Research	
– HPV Vaccine Advisory Committee	2010
– HPV Vaccine Implementation Update	2010
– HPV Vaccine Policy and Cost Effective Modeling	2010
– WHO Scientific Consensus Building Project on Endpoints for Clinical Trials of Second Generation HPV Vaccines	2013
– HPV Vaccine Position Paper: revision of 2009 original position paper to reflect 2 dose policy changes	2014
– Maternal Immunization Program: Effort to Harmonize Obstetric Definitions for Key Terms of Interest	2015 – 2017

LINDA O'NEAL ECKERT, MD**SPECIAL INTERNATIONAL RESPONSIBILITIES****World Health Organization (continued)**HPV Vaccine Focal Point, WHO Headquarters

Jan – Jun 2009

Geneva, Switzerland, Initiative for Vaccine Research

- HPV Vaccine Position Paper – assisted in grade table formation, final preparation and editing, see 2009 publication
- HPV Vaccine Surveillance and Monitoring – Considerations for Low Resource Settings
 - Co-organized meeting held in Geneva, Switzerland May 6-7, 2009 with multiple international stakeholders to initiate discussions and plans for low resource settings.
 - Authored meeting report
- Represented WHO at the First Symposium on Human Papillomavirus Vaccinations in the Asia-Pacific and Middle East Regions, Seoul, Korea, June 1-2, 2009
- Immune Module for HPV Vaccine – developed outline, recruited and worked closely with author, edited and prepared for WHO publication
- Chaired the HPV Work Group – a multidisciplinary group that focused on WHO efforts with the HPV Vaccine
- Worked on a planning team focusing on Adolescent Immunization. Authored manuscript on state of Adolescent Immunization in Low Resource Settings

Program for Appropriate Technologies in Health (PATH)

2010 – present

- Technical Advisory Group Member: HPV Vaccine Project
 - Advise PATH on scope and implementation of their Gates' funded demonstration project for HPV Vaccine Introduction in Peru, Uganda, India and Vietnam
- Technical Advisory Group Member: RSV Maternal Immunization Project, 2014–present

Global Alliance for Vaccine Initiative (GAVI)2012 – 2018
2021 - present

- Immunization Review Committee: Vaccine expert on the committee that reviews country applications for Gavi funded vaccines and makes recommendations to Gavi board
 - Deputy Chair of Immunization Review Committee
 - HPV Application and Guideline Review
 - Chaired the HPV Vaccine Committee November 29-December 2, 2012 where we considered 13 applications from mostly African nations for Gavi funding for HPV Vaccines
 - Revised Gavi Country Application and Guidelines for Gavi HPV 2.0

American Society for Clinical Oncology (ASCO)

2015 – 2016

- Cervical Cancer Prevention Guidelines Writing committee
- Asked by American College of Obstetrics & Gynecology to be the ACOG representative to ASCO to author the HPV vaccine recommendations

LINDA O'NEAL ECKERT, MD**SPECIAL INTERNATIONAL RESPONSIBILITIES** (continued)

- Global Alignment of Immunization Safety Assessment in Pregnancy (GAIA Project): BMGF/Brighton Collaboration Partnership** 2015 – 2018
- Obstetrics Lead
 - Coordinate all obstetric working groups to define key obstetric terms of special interest for definition standardization to further maternal immunization efforts
 - Executive team liaison for obstetric issues
 - Lead dissemination and integration efforts for use of GAIA developed standardized tools in broader obstetrics and gynecologic research and clinical efforts
- International Training and Educational Center for Health (I-TECH) University of Washington** 2017 – current
- Consultant to Ministry of Health in Namibia: Develop Cervical Cancer Prevention Guidelines 2017, 2023
 - Led collaborative workshop process in country to develop recommendations
 - Authored guideline document for adoption by Namibian Ministry of Health
 - Helped with strategic plans for roll-out of cervical cancer screening
 - Assisted in developing training modules for cervical cancer screening
 - Invited to update 2017 Guidelines to reflect current WHO policy 2023
 - Consultant to Tanzania I-Tech Group for Assessment of Secondary Cervical Cancer Screening Program 2019
 - Consultant to Ministry of Health in Malawi: Develop Cervical Cancer Prevention Guidelines 2019
 - Led meetings with stakeholders and developed gap analysis for guideline update
 - Authored guideline development document for adoption by Malawi Ministry of Health
 - Assisted in Quality Assurance and Implementation plans for population based cervical cancer screening
 - Consultant to Botswana Ministry of Health and B-Tech 2020 – 2021
 - Technical advisor for update of Botswana Cervical Cancer Screening and Teaching Curriculum and Guidelines

NATIONAL RESPONSIBILITIES

- NIH Study Section Human Embryology and Development – 1 2003
National Institutes of Children's Health and Development
Ad Hoc Reviewer
- American College of Obstetrics & Gynecology 2003 – present
- Committee on Practice Bulletins: Gynecology, 2003 – 2006
 - Committee on Gynecology Documents – Chair, 2006 – 2011
Review and edit all practice bulletins and opinions before publication
 - PROLOG Gynecology and Surgery Task Force, 2007 – 2008
Authored 15 questions with discussion of answers. Assisted in editing entire edition

LINDA O'NEAL ECKERT, MD**NATIONAL RESPONSIBILITIES** (continued)

<u>American College of Obstetrics & Gynecology</u> (continued)	2003 – present
<ul style="list-style-type: none"> • Infectious Disease Education and Teaching Module, 2007 – 2010 One of four faculty to develop, author, and now revise a new ACOG web-based product followed by challenging questions with explanations; Meets new American Board of Obstetrics & Gynecology lifelong learning requirements. • Diagnosis and Treatment of Pelvic Inflammatory Disease: ACOG Update, 2008 One of 3 faculty to participate in this CdRom teaching module • Expert Advisory Committee for Immunizations • Maternal Immunization: The Changing Landscape: ACOG Update CdROM • Immunizations for Women: ACOG Update • One of 3 faculty to participate in Web based teaching module • Adult Immunization: Tips and Tools for Practice Integration, Webinar • Tips for Immunizers: Webinar • Author HPV Vaccine Committee Opinions, FAQs for Providers and Patients • ACOG Representative to ACIP • ACOG Writing Group, Covid-19 Vaccines in Pregnant and Lactating Individuals • Practice Advisory with frequent updates 	<p>2010 – present</p> <p>2015</p> <p>2015</p> <p>2016</p> <p>2017</p> <p>2019 – present</p> <p>2019 – present</p> <p>2020 – present</p>

Grant #	FA137970/A105988	2017-2019	Effort: .01 FTE
Agency:	NIH/Seattle Children's Research Inst	\$6,400	Consultant
Title:	Gynecologic consultant to assure safe and appropriate treatment of HIV seropositive women with HPV and cervical dysplasia on a trial in Uganda		
Grant #	None	2018-2019	Effort: 0.05 FTE
Agency:	Global Alliance for Vaccine Initiative	\$10,800	Consultant
Title:	Consultant to serve on the Immunization Review Committee as the HPV Vaccine Expert: Reviews country applications for GAVI funded vaccines and makes recommendations to GAVI board on HPV and all other GAVI funded vaccines.		
Grant #	None	2017-2018	Effort: 0.12 FTE
Agency:	Bill & Melinda Gates Foundation	\$36,600	Consultant
Title:	Global Alignment of Immunization Safety Assessment in Pregnancy (GAIA Project): BMGF/Brighton Collaboration Partnership		
Grant #	None	2017-2018	Effort: 0.15 FTE
Agency:	Global Alliance for Vaccine Initiative	\$44,800	Consultant
Title:	Consultant to serve on the Immunization Review Committee as the HPV Vaccine Expert: Reviews country applications for GAVI funded vaccines and makes recommendations to GAVI board on HPV and all other GAVI funded vaccines.		
Grant #	None	2017-2018	Effort: 0.07 FTE
Agency:	National Vaccine Program Office	\$21,142	Investigator
Title:	Maternal Immunization Grant "Evaluation and Validation of GAIA Maternal Immunization Outcome Definitions in the US, Europe and Australia" Oct 2017-Oct 2018 contract with Cincinnati Children's Subcontract: University of Washington (Total budget \$21,142: salary and indirects: \$11,542, pay for chart review: \$9600)		
Grant #	None	2016-2017	Effort: 7%
Agency:	Bill & Melinda Gates Foundation	\$21,223	Consultant
Title:	Global Alignment of Immunization Safety Assessment in Pregnancy (GAIA Project): BMGF/Brighton Collaboration Partnership		

LINDA O'NEAL ECKERT, MD**RESEARCH FUNDING – Past (continued)**

Grant #	None	2016-2017	Effort: 10%
Agency:	Global Alliance for Vaccine Initiative	\$29,600	Consultant title:
Title:	Consultant to serve on the Immunization Review Committee as the HPV Vaccine Expert: Reviews country applications for GAVI funded vaccines and makes recommendations to GAVI board on HPV and all other GAVI funded vaccines		
Grant #	None	2016-2017	Effort: 2.5%
Agency:	Global Alliance for Vaccine Initiative	\$6,400	Consultant
Title:	Consultant to revise the GAVI HPV Vaccine application and requirements		
Grant #	FA137970/A105988	2016-2017	Effort: 1.0%
Agency:	NIH/Seattle Children's Research Institute	\$6,400	Consultant
Title:	Gynecologic consultant to assure safe and appropriate treatment of HIV seropositive women with HPV and cervical dysplasia on a trial in Uganda		
Grant #	None	2014-2015	Effort: 7%
Agency:	Global Alliance for Vaccine Initiative	\$21,600	Consultant
Title:	Consultant to serve on the Immunization Review Committee as the HPV Vaccine Expert: Reviews country applications for GAVI funded vaccines and makes recommendations to GAVI board		
Grant #	None	2013-2014	Effort: 16%
Agency:	World Health Organization	\$45,612	Consultant
Title:	Consultant to Initiative for Vaccine Research; Consultant to Reproductive Health for Comprehensive Cervical Cancer Control Guidelines Update		
Grant #	None	2013-2014	Effort: 4%
Agency:	Global Alliance for Vaccine Initiative	\$11,100	Consultant
Title:	Consultant to serve on the Immunization Review Committee as the HPV Vaccine Expert: Reviews country applications for GAVI funded vaccines and makes recommendations to GAVI board.		
Grant #	None	2012-2013	Effort: 18%
Agency:	World Health Organization	\$41,803	Consultant
Title:	Consultant to Initiative for Vaccine Research; Consultant to Reproductive Health for Comprehensive Cervical Cancer Control Guidelines Update		
Grant #	None	2012-2013	Effort: 10%
Agency:	Global Alliance for Vaccine Initiative	\$22,175	Consultant
Title:	Consultant to serve on the Immunization Review Committee as the HPV Vaccine Expert: Reviews country applications for GAVI funded vaccines and makes recommendations to GAVI board.		
Grant #:	None	2010	Effort: non-funded
Agency:	MERCK	\$108,880	Co-investigator
Title:	Immunogenicity and safety of quadrivalent human papillomavirus vaccine in HIV-infected pre-adolescent girls and boys in Kenya		

LINDA O'NEAL ECKERT, MD**RESEARCH FUNDING – Past** (continued)

Grant #	None	2011-2012	Effort: 11.5%
Agency:	World Health Organization	\$22,000	Consultant
Title:	Consultant to Initiative for Vaccine Research; Consultant to Reproductive Health for Comprehensive Cervical Cancer Control Guidelines Update		
Grant #	None	2011-2012	Effort: 6%
Agency:	Pan American Health Organization	\$15,000	Consultant
Title:	Consultant to Reproductive Health		
Grant #	None	2010-2011	Effort: 25%
Agency:	World Health Organization	\$63,630	Consultant
Title:	Consultant to Initiative for Vaccine Research; Consultant to Reproductive Health		
Agency:	NIH	Role:	Fellowship
Dates:	1994 -1996	Amount:	100% salary for 2 years
Title:	Training Grant. King Holmes MD PhD, PI
